Ed Royce- U.S. Representative 39th District

International Trade and California Job Market Trend

U.S. Representative Ed Royce (R) is serving his eleventh term in Congress representing Southern California's 39th District, based in Orange, Los Angeles, and San Bernardino Counties. He and his wife, Marie, are longtime residents of Fullerton, CA.

Royce's priorities in Congress are: addressing our national debt, protecting our homeland, eliminating pork-barrel spending, fighting crime and supporting victims of crime, strengthening education for all students, spurring job creation and strengthening Social Security and Medicare.

A California native, Royce is a graduate of California State University, Fullerton, School of Business Administration. Prior to entering public service, his professional background includes experience as a small business owner, a controller, a capital projects manager, and a corporate tax manager for a Southern California company. Royce and his wife, Marie, have been married for 28 years.

Benson P.S. Wang-Taipei Economic and Cultural Office in Los Angeles Deputy Director- General

Investment opportunities, job market trend in Taiwan and International Trade

During his 21 years of Foreign Service career, Deputy Director-General Wang has served in Washington D.C. twice, Greece, Coordination Council of North American Affairs and Department of International Organization before coming to Los Angeles

The Taipei Economic and Cultural Office (TECO) was established pursuant to the Taiwan Relations Act (PL. 96-8), for the purpose of promoting and strengthening the economic, cultural, educational and other related ties between the United States and the Republic of China (ROC) on Taiwan. TECO represents the ROC's interests in the United States and currently has thirteen offices nationwide, including a representative office in Washington, D.C.

The Los Angeles office handles a variety of matters, covering Southern California, Arizona, and New Mexico. It is one of the busiest offices due to the geographical location of the city of Los Angeles as a gateway to the Pacific, and services the largest Chinese-American community in the country.

Kay Ko- FBI Los Angeles Community Outreach Specialist

Importance of Education and advantages of a bilingual job seeker

Ms. Kay Ko grew up in Los Angeles, California, and attended the University of California at Los Angeles (UCLA), where she graduated with a Bachelor of Arts degree, a Master of Arts degree in Art History, and the Doctoral Degree in Comparative Education from UCLA . After teaching the Korean language at UCLA and Claremont McKenna Colleges, Ms. Ko joined the FBI in December 1993 as a Language Specialist. From 1995 to 2008, she worked as an Intelligence Analyst and also earned a Juris Doctoral Degree from Loyola Law School in 2002. From June 2009 through July 2012, she served as a Supervisory Intelligence Analyst.

During over 20 years of service with the FBI, Ms. Ko has assisted the case agents and the FBI management as a linguist and an analyst in a variety of assignments, including terrorism, counterintelligence, money laundering and organized crime. She organized a number of counterintelligence conferences through working closely with the members of US Intelligence Community. In the current position as Community Outreach Specialist, Ms. Ko coordinates meetings and events where FBI employees participate as guest speakers and presenters, attend various community events to educate the public about FBI priorities, as well as visiting schools to educate students about good education and being model citizens as part of the FBI's Youth Program.

Ms. Kay Ko was appointed to the California State Board of Accountancy by Governor Jerry Brown in November 2013, and she also serves on the Board of Visitors at the Graduate School of Education and Psychology at Pepperdine University.

Nanxi Liu- Enplug Co-Founder & CEO

Entrepreneurship and use of social media to boost your business

Nanxi Liu, is the Co-Founder and CEO of Enplug, a Los Angeles technology company that builds the industry-leading software for digital displays in malls, restaurants, retail stores, and more.
